SENIOR CLASS OF '45

My senior class of '45 we carry many memories.
Three years have flown it seems to me,
And we will always think of these
As happy years—as bright, full years.
With just a little sorrow too
We think of all the fun we've had,
And leave the old times for the new.
Two years ago—our sophomore year—
Remember how we used to gaze
With timid eyes, so wonderingly
At grown-up Seniors' worldly ways?
Then came our bolder junior year.
We cheered our football team to "State."
The Junior Prom left memories—
We still thought Seniors were first-rate.
At last we gained our Senior name.
We had our Banquet, Kid-Day, too;
We had such fun those last few weeks!
But graduation left us blue.
If, years from now, we took the pains
To trace the lives of Angelo's best,
We'd find the Class of '45
Would still be leading all the rest!

IN MEMORIAM

H. P. Hay, a member of our 1945 senior class, died last December 14, 1944, but he is still alive in our thoughts, and his cheerful smile and ever-ready "hello" will never be forgotten. H. P. had many various activities and honors conferred upon him during his sixteen years. On our own CAMPUS CORRAL he was a member of the Editorial Staff; this fall he was alternate drum major of the Bobcat Band, having played with this organization for five years. Among other things he was a member of the baton club. H. P.'s character and ability may be seen in that he was one of the youngest boys in the Concho Valley Boy Scout Council to rate the Eagle rank.

"We live in deeds, not years; in thoughts, not breaths;
In feelings, not in figures on a dial.
We should count time by heart throbs. He most lives
Who thinks most, feels the noblest, acts the best."

 KATHY STURGES (Vice-President)

Hats off to the JUNIORS, that one perfect class
 That the crowd stops and looks at whenever they pass!
 If it's style one is seeking, one knows where to stop,
 For the Juniors are stylish! They stand at the top
 In pep and good nature, in knowledge and vim
 The Star of the Juniors will never grow dim.
 Nor if it's ATHLETICS, one don't have to guess—
 The Juniors outdistance the whole bloomin' mess.
 They lead—the rest follow—they can't keep the pace!
 In manners, in training, in loyalty, too,
 The Juniors are cited as examples to you.
 So here's to the JUNIORS—and long may they be
 The "cream in your coffee," the "nip in your tea."
 United, undaunted, devoted, and true,
 Free-hearted, determined—here's ORCHIDS to you!

SOPHOMORES

SOPHOMORE CLASS OFFICERS

HAL WILLS (President) BILL GILL (Vice-President)
DOLORES SHIELD (Secretary)

Farewell, Seniors! Good luck to you!
Hi there, Juniors! Your year is soon due.
But here we are, "little Sophs," infants, they say,
Who don't even know the time of day.
That may be true but you just don't know,
How fast "little Sophomores" really can grow.
We've taken your teasing and all your jokes;
We've given you chewing gum and bought you "cokes,"
But we know there will come a time
When a set of new Sophs are made to mind.
We've never made those "between-the-halves A's,"
Nor learned how to march three different ways;
We've never witnessed a "Kid Day" or "Prom,"
And don't even know where Caesar came from.
But we managed to get through this year all right,
And hope to continue without a fight.
For we know the time surely will come,
When we can rightfully have OUR fun;;
But anyway, Seniors, we bid you good cheer,
For we're still waiting for our big year!

The Student Council this year is composed of four members from each class elected by the student body at large. They receive suggestions from students and discuss them freely at called meetings. The decisions they render are based on democratic principles. For this reason, the Student Council has become one of the most successful organizations in San Angelo High School.

May Keys is San Angelo's only State Champ this year, as well as the first Bobcat to win State in declamation. At the State Interscholastic League Meet in Austin on May 3 and 4, May competed with seven other Texas high school students to win the Declamation first place trophy. The following is the winning speech that won May first place after five years of competition in Speech contests.

Six hundred and forty-four years ago an Italian traveler was thrown into jail in Genoa, and to pass the time he wrote a book. His name was MARCO POLO and his book about China was so exciting that it started a world movement of exploration and led to the discovery of America. A book written in prison.

Two hundred and sixty-seven years ago another man went to prison, in London, England. He too wrote a book to keep from going mad in the silence of his cell. His name was JOHN BUNYAN, the book was PILGRIM'S PROGRESS, and after the BIBLE, it has sold more copies than any other book ever penned by man.

On a beautiful spring morning just 20 years ago, to a little river town in Bavaria, they brought another prisoner, tossed him into a cell and forgot about him. He too decided to write a book. Marco Polo had told how he loved China, Bunyan had told how he loved Christianity, so this man decided to tell how he hated everything. He was a thin grey faced radical with dirty hair. His name? ADOLPH HITLER, his book, MEIN KAMPF.

While we were watching the Washington baseball club win the series; or nominating Calvin Coolidge for President; and winning the 1924 Olympics; and loaning Germany a couple of hundred million dollars to help it back to its feet; the "thin man" in his jail cell went on writing the book. "First Germany must conquer Europe for no nation on earth hold a square yard of territory by any right derived from heaven. Strength alone constitutes the right to possess."

It didn't concern us did it?

While we were working up the Dawes Peace Plan that year, "the thin man" was writing: "Labor unions are to be abolished, strikes are to be forbidden, wages will be frozen, and workmen forbidden to look for or even accept better jobs."

Well, it didn't concern us, did it?

The next year a few Americans read the book, and saw that it had something in it for us after all. Something terse, concise, complete. Just one sentence: Democracy in the West today is a monstrosity of filth.

In the years that followed, this clumsily thought-out book became the bible of the Nazi World; its author became its god.

Then, paragraph by paragraph, line by line, Hitler began to make his book come true. He attacked France exactly as he said; pulled the wool over England's eyes; and on schedule, he tore apart the old world.

But he was talking about destroying them, not us wasn't he? Then suddenly, he was talking about destroying us. From a dozen official documents can be drawn the plan for America.

"Americans behave like clumsy boys," he wrote, "the American is no soldier. The inferiority and decadence of this allegedly new world is evident in its military inefficiency."

Concerns us doesn't it?

"Our superior products will be sold at very low prices throughout the world and will cause the United States to have not seven million but thirty million, forty million unemployed."

It didn't apply to us. It didn't apply to you, did it? Unless you are the man with scrap metal rusting in your garage because it was too much trouble to get it to the salvage drive. Unless you are the man who doesn't buy bonds because in a democracy no one makes you buy bonds.

This is the man Hitler sincerely believes you are. If he were right, the last chapters of MEIN KAMPF would be written in Berlin and not in Washington or London. But since you are not that man, in this book of theirs, the most tragic book known to all history of the human heart, the final chapter will be written by us.

For Adolph Hitler, when he dreamed it all up that summer in 1924, proud to be writing his book in the cell of a jail, proud to be among those who changed history from behind barred windows, quite overlooked one of the men who also grew famous for such a prison task. He quite overlooked the fact that 110 years before he entered that cell in Bavaria to write MEIN KAMPF, an American, in a cell, likewise did some writing. In Fort McHenry was imprisoned Frances Scott Key, and the last four lines of his contribution to literature go:

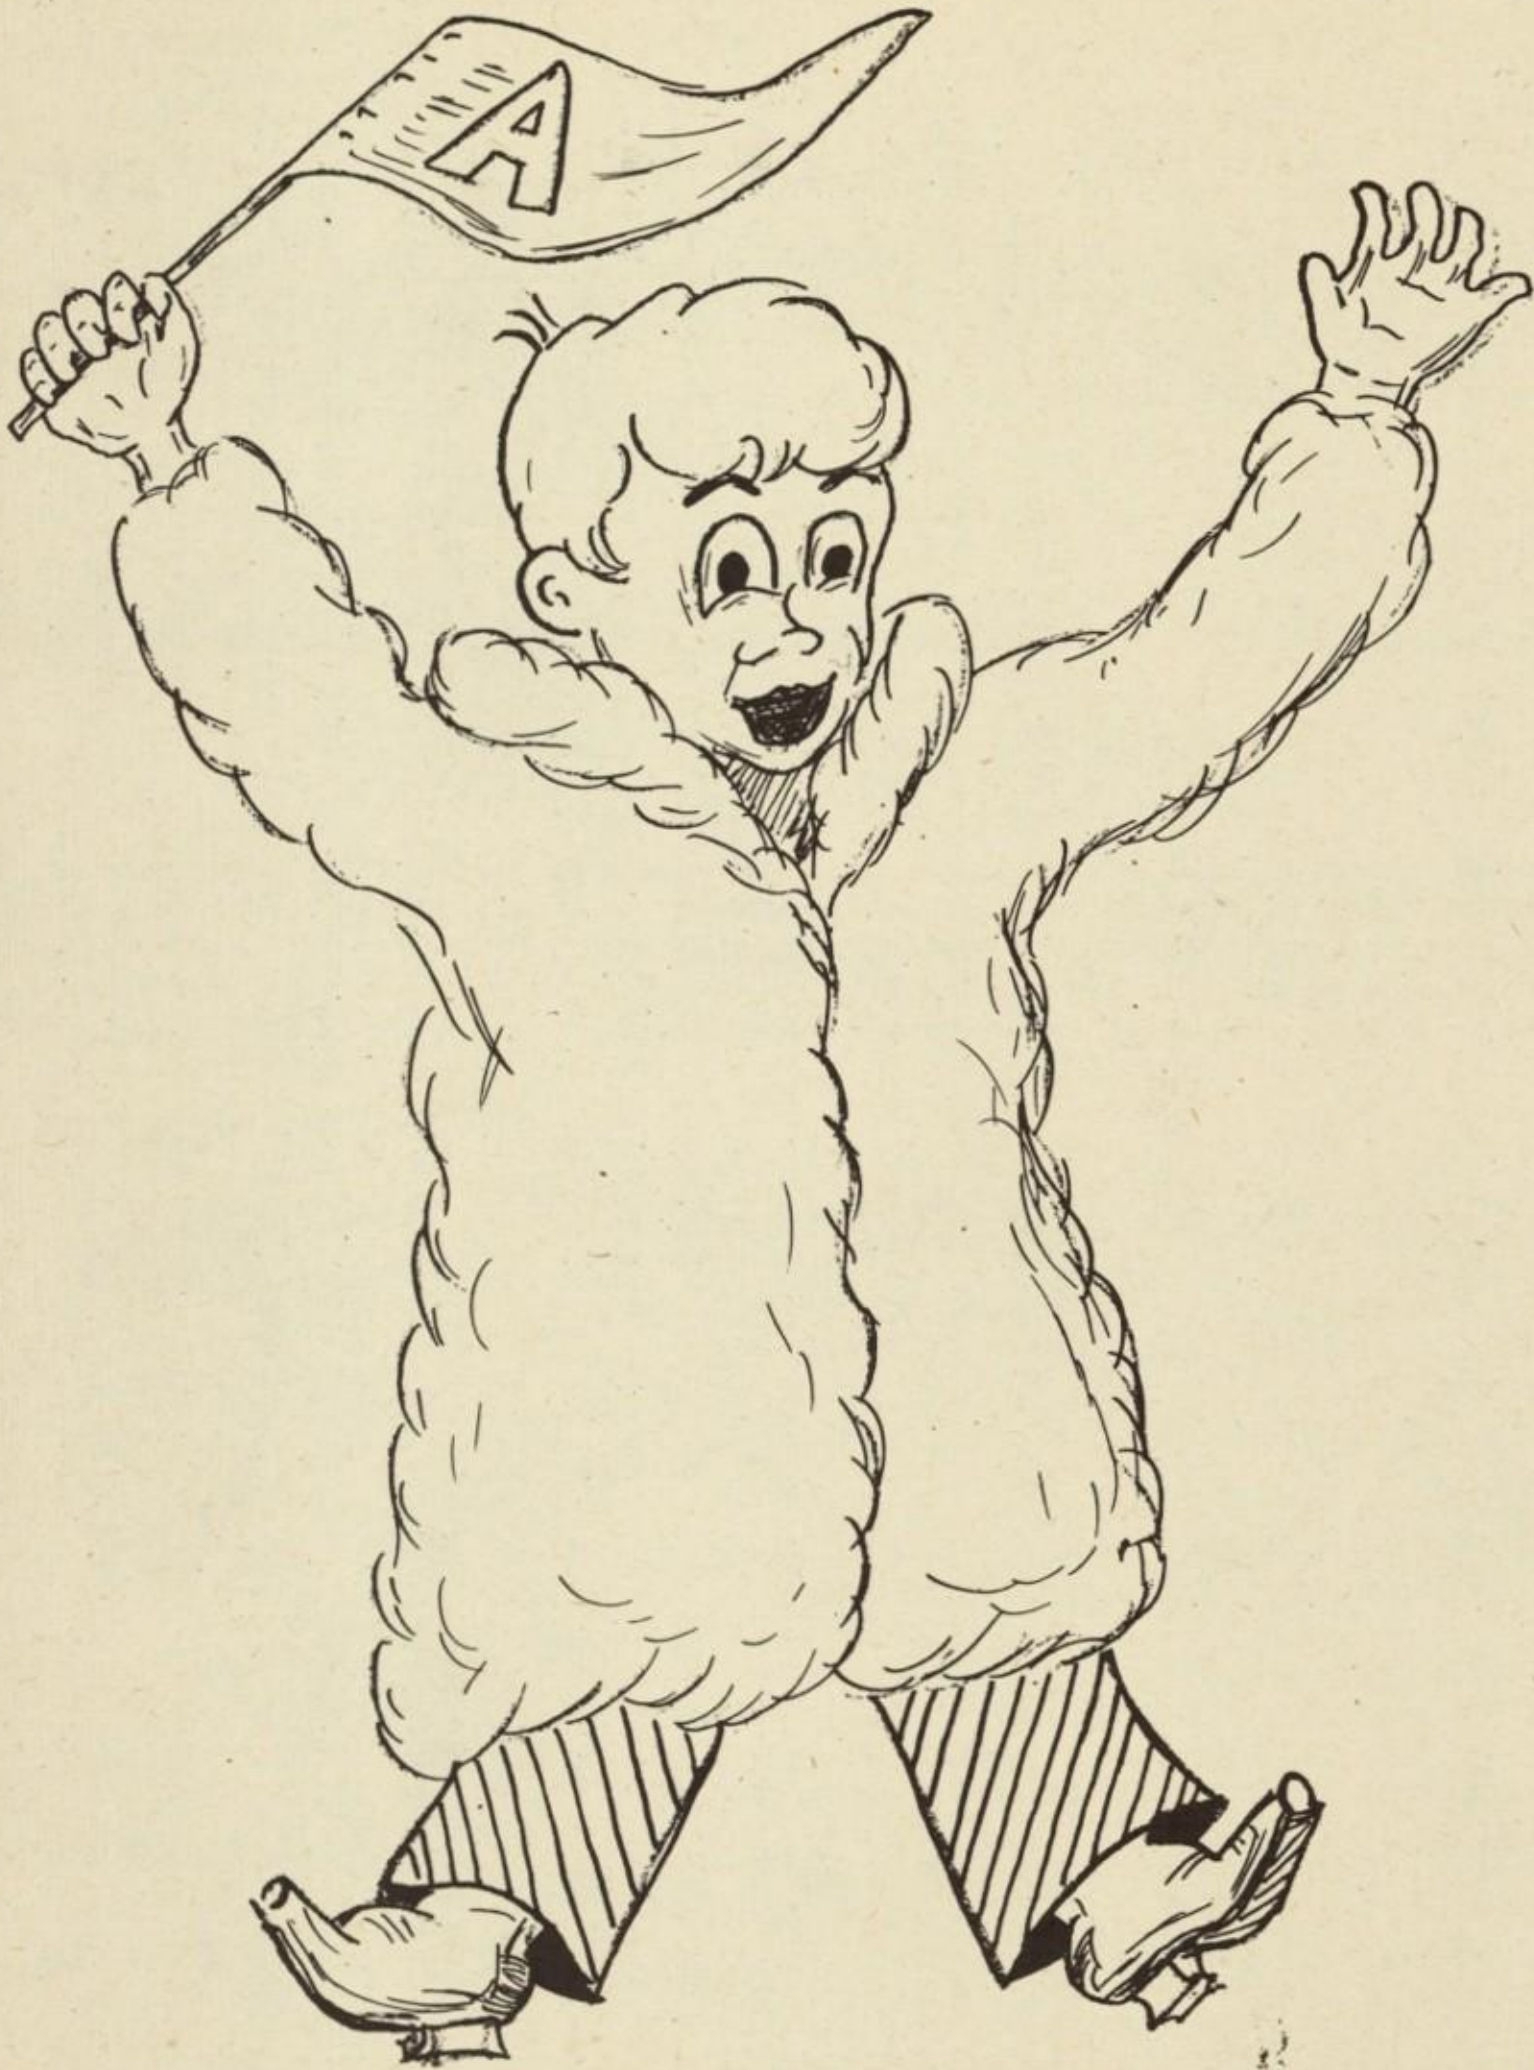

"And conquer we must, when our cause it is just

And this be our motto, 'In God is our Trust.'

And the Star Spangled Banner, in triumph shall wave

O'er the land of the free and the home of the brave."

1944 SAN ANGELO BOBCATS—STATE SEMI-FINALISTS

1944 TEXAS STATE SEMI-FINALISTS

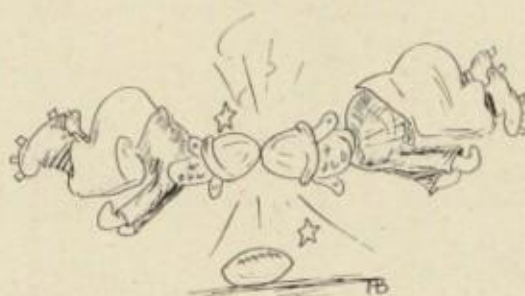

Taking up where they left off last year, the Bobcats completed the 1944 season with only two setbacks. After losing an early season game to Lubbock 7-6, the Bobcats went on to sweep the district with an average of 41 points majority to a game. Then they defeated Austin High School of El Paso for the Bi-District Championship. In the hardest game of the season, the Bobcats beat Amarillo for the second time in the season, winning the West Texas Championship. They were defeated by Highland Park of Dallas in the Semi-Finals game.

COACHES

JEWELL WALLACE
Head Coach

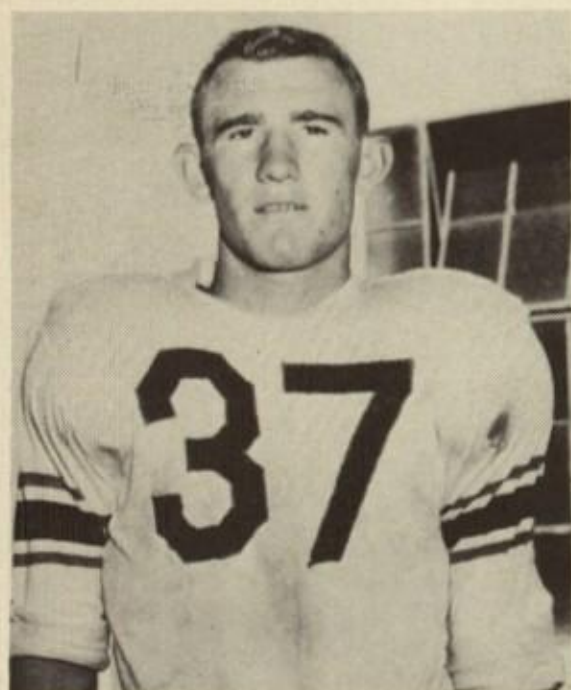

The success of the Bobcats for the past two years has been due largely to Mr. Wallace. His belief in the Bobcats and their belief in him, combined with his brilliant coaching ability, led the Bobcats to the two most successful seasons in San Angelo High School's history.

VON RHEA BEANE
Assistant Coach

Coming to San Angelo for Spring training last year, Mr. Beane became very valuable to the Bobcats as assistant to Mr. Wallace and line coach. His work was a major factor in the success of the Bobcats.

LETTERMEN

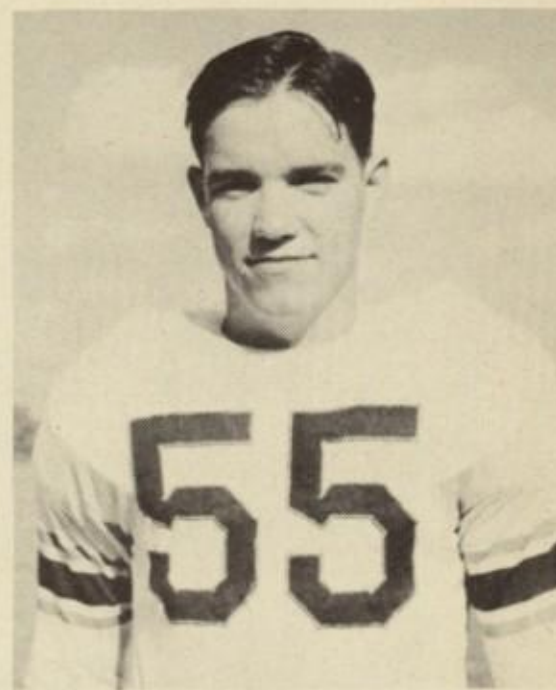

GEORGE GRAHAM
Captain, Fullback

"Jeep" was the hardest driving, hardest tackling fullback in the state. His great drive and power will long be remembered by his teammates and opponents. George made ALL-DISTRICT and Second Team ALL-STATE in his fourth year to letter.

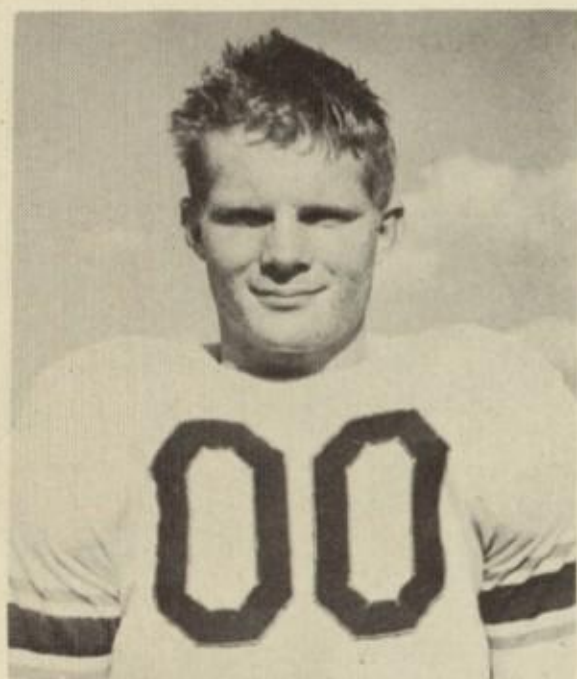

GEORGE HUGHES
Co-Captain, Guard

"Nubbin" was the toughest, smartest guard in the state this year. He was the fifth man in the opponents' backfield because he always played as hard or harder than any man on the field. This year, his fourth to letter, he made ALL-STATE guard.

VERNIE HORNER
End, Co-Captain

Throw a ball and Vernie will catch it. It was nearly impossible to keep him from catching a pass or get him out of a play. A three-year letterman, Horner made ALL-DISTRICT and Honorable Mention ALL-STATE.

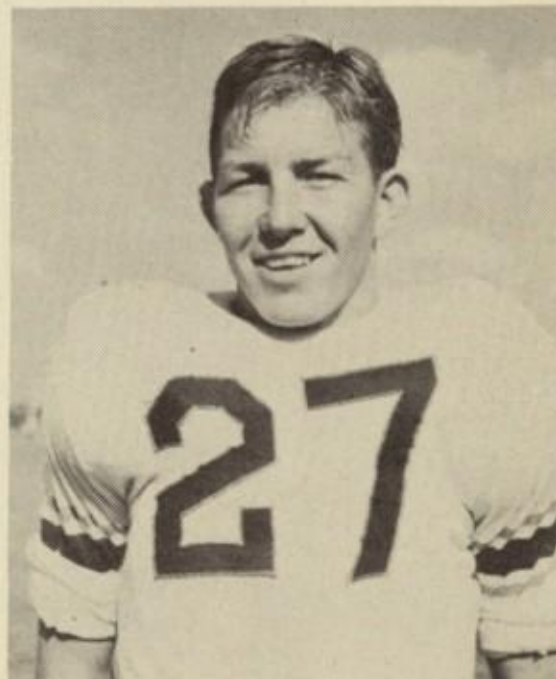

SAM CALLAN
Co-Captain, Center

Another three year letterman is Sam Callan, an all-district man for two years. Sam held the pivot position on the offense and line backer on the defense. He made two touchdowns because of his pass-defense ability. Sam also received honorable mention on the All-State team.

DENNIS DOYLE
Tackle

"Kong" gave everything he had and took everything the opposition handed out. His blocking and tackling were sources of misery to the opposition. Dennis was named ALL-DISTRICT and Second Team ALL-STATE in his second year to letter.

MAX BOX
Wingback

Box was another three-year letterman. He was not very big, but his hard work and ability made him an outstanding player. Catching passes thrown by both sides was his specialty, but he was also a hard blocker and tackler. He made Second Team ALL-DISTRICT.

LETTERMEN

BILL WELLS
End

Although he was the smallest man in the line this year, Bill was in on everything that came his way. He was not only a great defensive end, but he could snag any kind of a pass. "Wee Wally" made Second Team ALL-DISTRICT in his second year to letter.

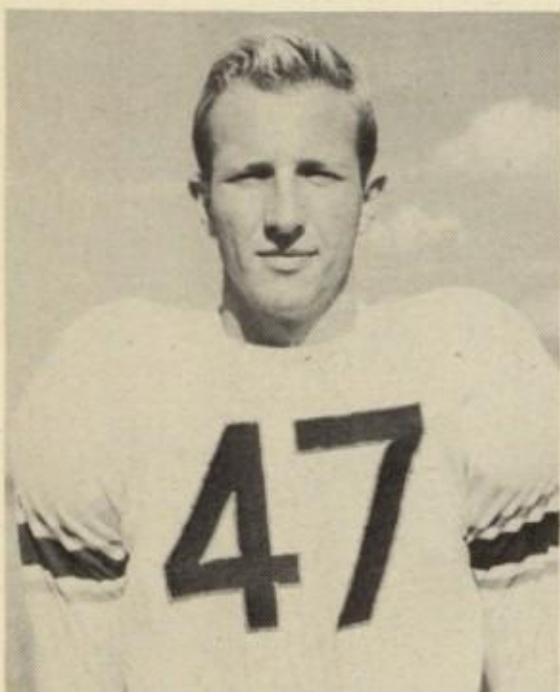

DOUG McSWANE
Tackle

Doug was the big, rugged right tackle of this year's squad. Mac's effective use of his 222 pounds were a great asset to the team this year. A two-year letterman, Doug made Second Team ALL-DISTRICT.

DWAIN DODSON
Quarterback

"Little Hawk" was the best passer in District 3-AA this season. With his passing ability, he was a brokenfield runner and a smart field general. Dwain, a captain of next year's squad, should be one of the best backs in the State next year. He made Second Team ALL-DISTRICT.

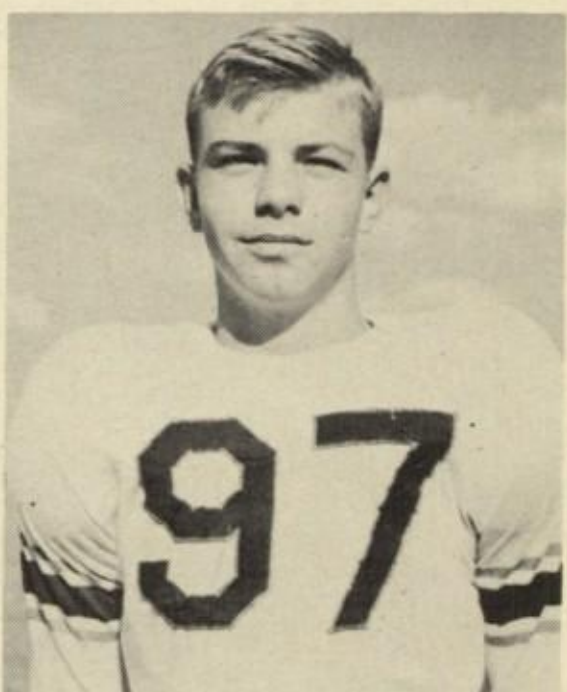

KENNETH CARLEY
Tailback

Hampered by a knee injury from the Ballinger game, Carley did not get to play his best football. But when this two-year letterman could play, he was running and catching the ball everywhere.

BERNARD ADKINS
Guard

Bernard, a two-year letterman, displayed great ability as a blocker at guard and as a defensive linebacker. On many occasions, he was pulled into the line on the defense, where he was always after the ball. Bernard was named Second Team ALL-DISTRICT this year.

BOB HAY
Fullback

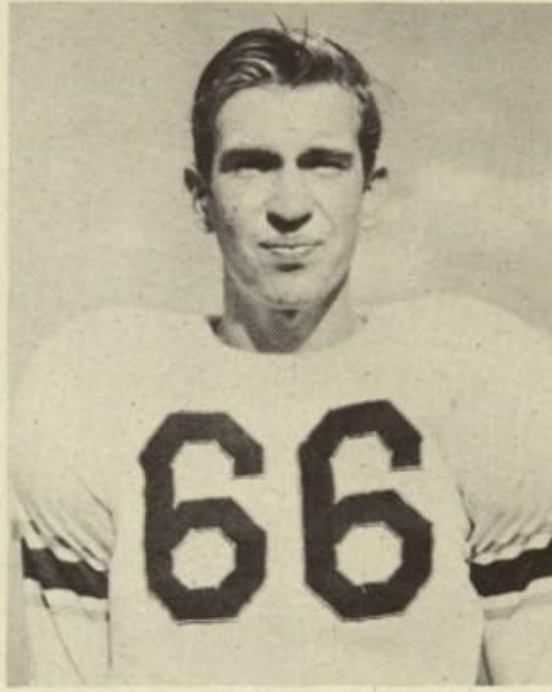

Playing as alternate to Graham, Bob was one of the hardest runners on the squad. Also, he was a hard tackling linebacker. Bob was elected one of the captains for next year's team.

LETTERMEN

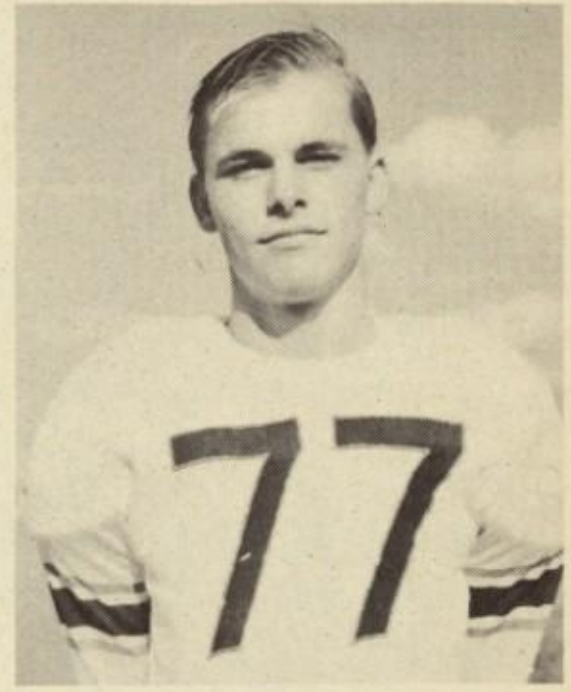

HUNTER STRAIN
Tackle

"Buck" was a rugged line-man, who always played his best when he was needed most. Playing either guard or tackle, Hunter broke through the line to smear the opposition for many losses.

JACK COFFMAN
End

Jack could reach up and get that ball anywhere it was thrown. A good defensive end and offensive blocker, in his second year to letter, he was a very valuable man. If he returns next year, he will be one of the team's Captains.

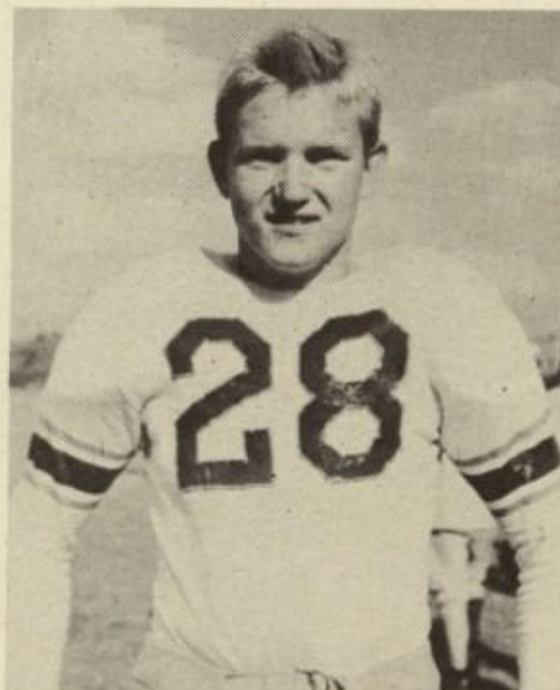

ROE HALL
Tailback

"Roe The Horse" was the fastest man on the team. A converted end, Hall was dangerous to the opposition any time he got the ball. If he is with the Bobcats next year, he will be a great ball carrier.

HAROLD HEADRICK
Tackle

"Red" was a big, tough man who played great ball whenever he was called on. He should be a mainstay in the line for the Bobcats next year.

BILLY GIBBS
Wingback

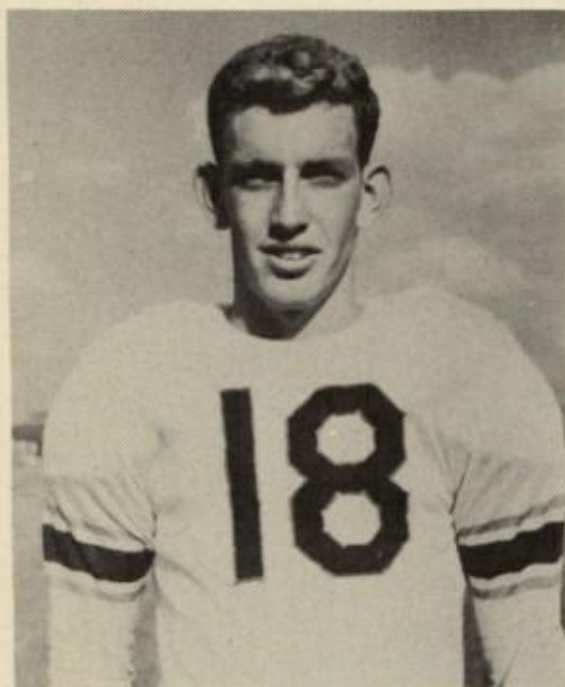

Although Gibbs played wingback and was a good runner, he stood out as a blocker all season. He will be back with the Bobcats next year as a two year letter man, playing guard at which he should really display his ability.

PETE RENNER
Center

"Peter" played alternate to Callan at the pivot slot. He was a ball hawk and was especially brilliant on pass defense. He will be a very valuable man on next year's squad.

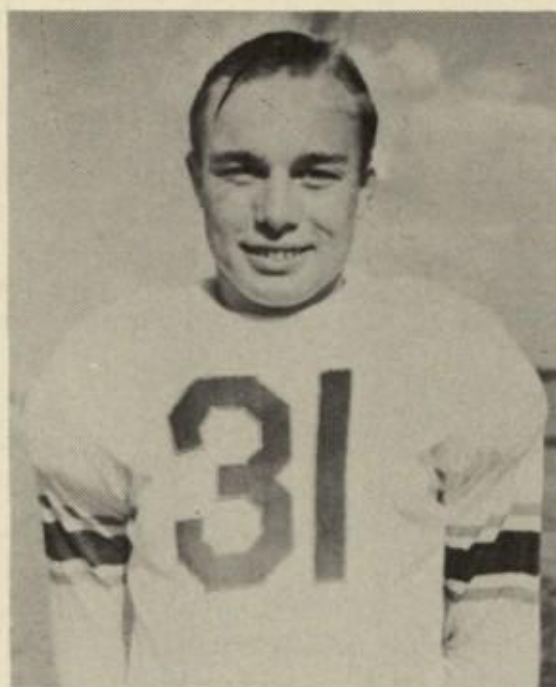

LETTERMEN

BARNEY JOHNSON

Quarterback

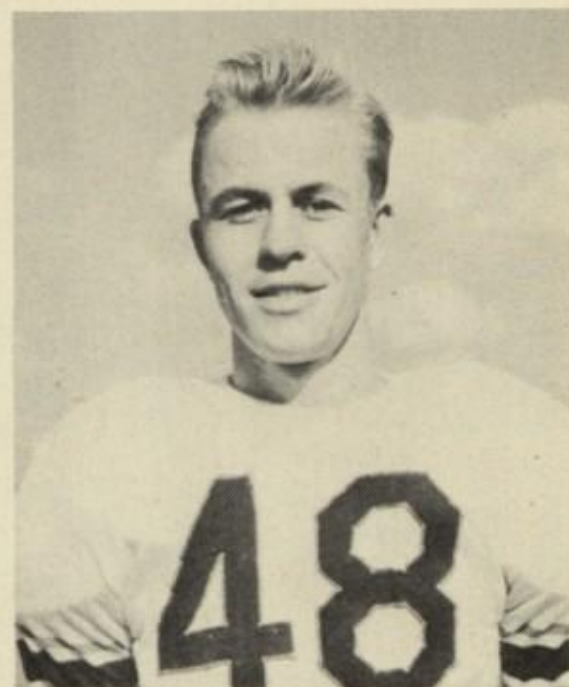

As alternate to Dodson, Barney proved to be very valuable to the team. Although he was not a regular starter, Barney's great passing and good running gained him Honorable Mention on the All-District team.

LEONARD GOODE

Guard

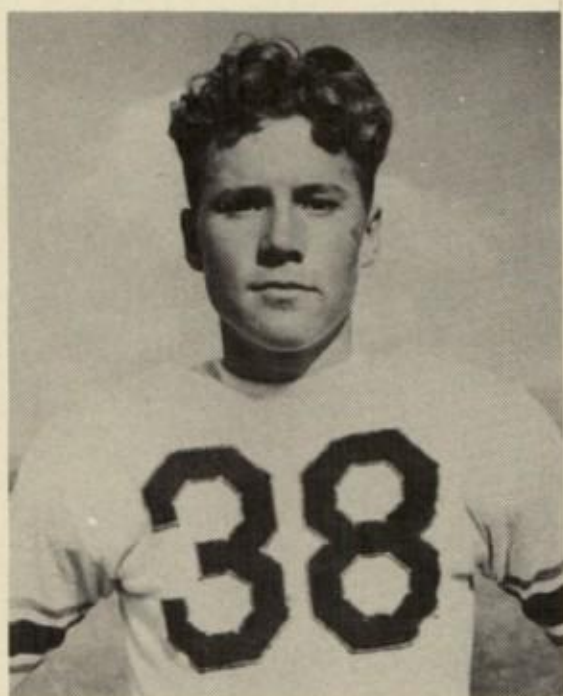

Goode was small for a guard but he made up his size in determination and ability. He greatly developed with the season and he should be another good lineman next year.

MARCUS OQUIN

Tailback

Marcus was small, but he ran the ends for many long gains. He played nearly any place in the backfield, and in his second year to letter he was a great ball player.

EDWARD MARTINETTS

Tailback

Edward was a good natural runner; and, as an alternate tailback, he used his ability for many long gains. He developed greatly as the season progressed, and he should be a great back on next year's squad.

1945 TRACK

Although they did not win a meet this year, the track team, under the direction of Jack Patterson, displayed some of the best running in S.A.H.S.' track annals. Captain Roe Hall was a great dashman; Eldwin Hay was a record breaking hurdler; and the sprint relay team composed of Hay, Hall, Hunter Strain, and Buddy Hudson was the fastest we ever had. These boys along with Dwain Dodson ran into mud at the Regional Meet in Abilene and were severely handicapped. Robert Beck, shot-putter, was a sure point man in any meet. Hay and Hall will enter the State Track Meet in Austin.

GIRLS TENNIS 1945

GIRLS' SPORTS

The seven girls who have represented S.A.H.S. in tennis this year are Ann Batjer, Connie Metcalf, Judy Powell, Patricia Batchelor, Jane Reader, and Nancy Hoyt.

The girls were selected as a result of a six weeks Round Robin Tournament which was held in Miss Ouisa Molen's seventh period tennis class, and the top three were chosen to enter the stiff competition, which this year's tournaments have offered. Ann Batjer in singles, and Judy Powell and Connie Metcalf in doubles have won honors time and time again.

S.A.H.S. is proud of Ann Batjer, only returning last year's letterman, who won her regional meet and is to enter the state contest on May 3 and 4.

The complete list of tournaments the girls' team has entered is as follows:

Invitational meet at Sweetwater March 24, 1945:

Anne Batjer—Single's Champ

Judy Powell and Connie Metcalf—Double's Champs

District meet at Abilene April 7, 1945:

QUILL AND SCROLL

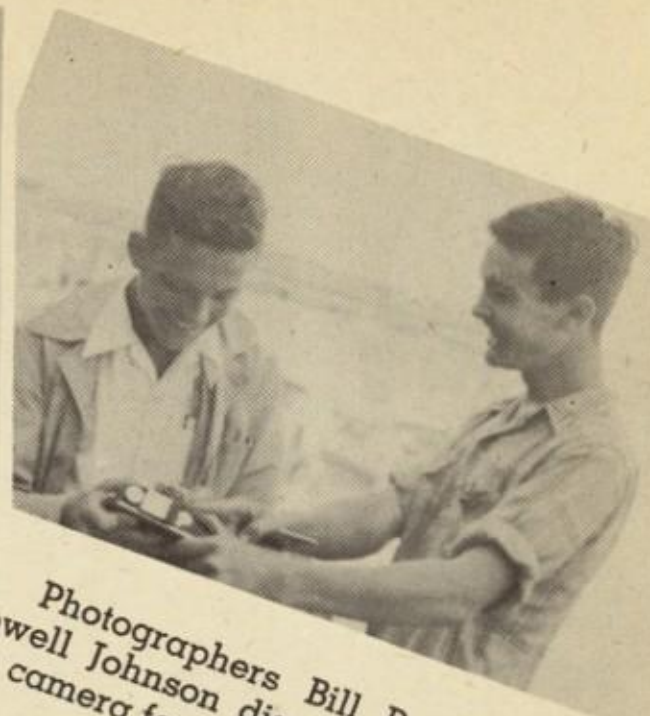

The Quill and Scroll is the International Honor Society for High School Journalists. Our own Dobie Chapter was organized in April of 1939.

Super-reporters Mary Jean Magruder and Cleo Marie Marschall at the bulletin board read the new assignments.

Journalism students Doris Hudson, Lucile Phillips, and Cathy Lipcaman write, read, and edit copy for the latest edition.

Photographers Bill Probandt and Lowell Johnson discuss the merits of the camera for pitcher-takin.

Julia "Gremlin Gabs" Price looks mischievously over her shoulder at the camera.

Mr. E. B. Cole, Corral adviser, divides his time between the Campus Corral and Standard Time's offices.

Right hand man, Betty Alice Garrett, managing editor, brands a senior for "Branding the Dogies."

Elsie Gayer, girls' sports editor, stops at the top of the steps in her quest for news.

Editor Billie Jo Underwood pauses as she goes about the daily grind in the Corral office.

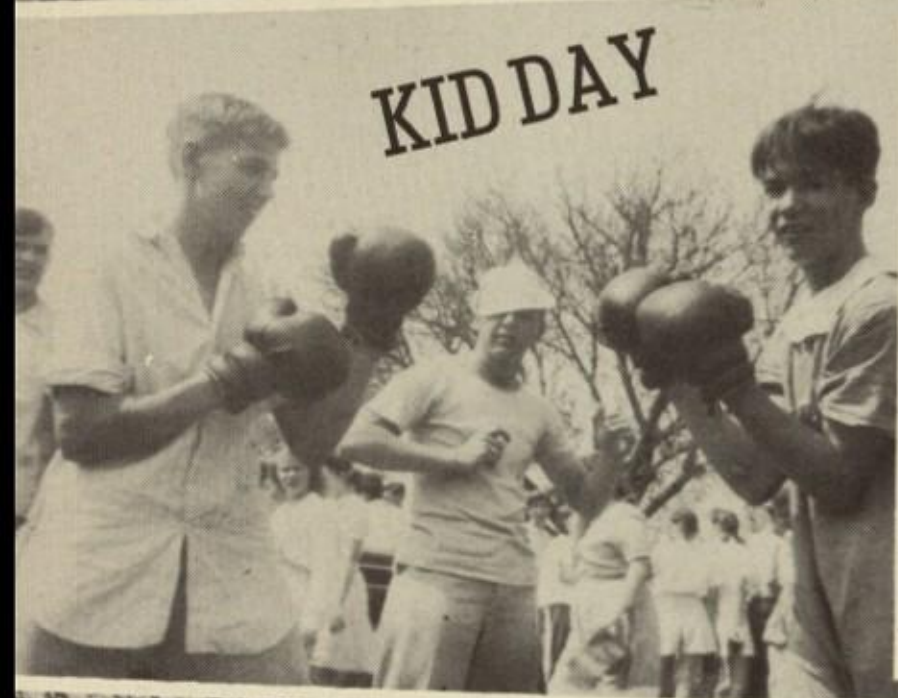

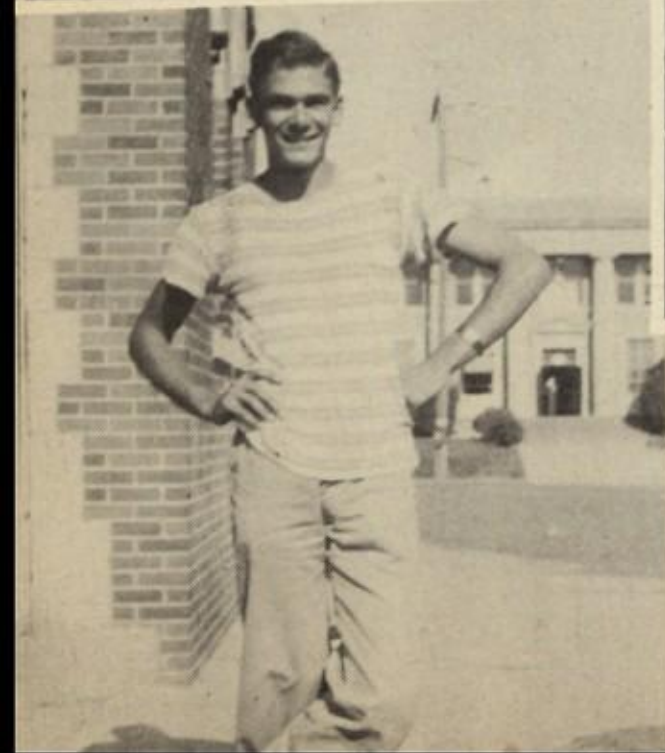

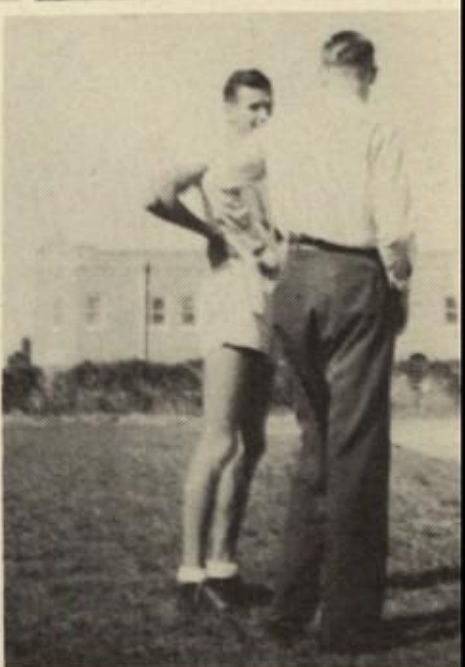

Typing copy on the Underwood is Melba Barker.

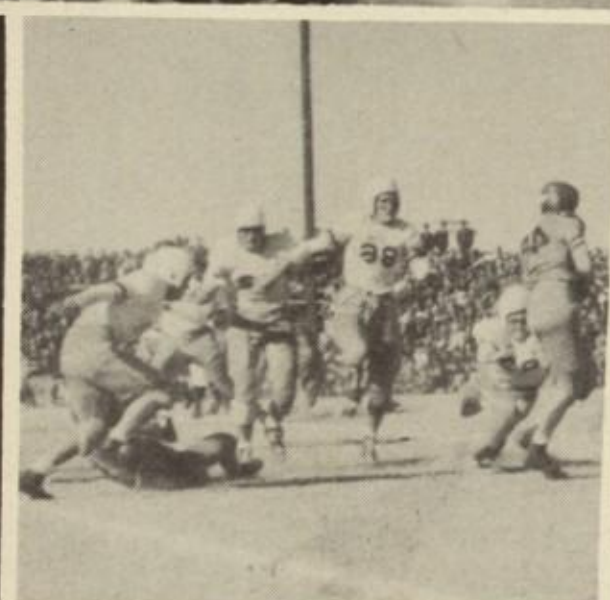

Charlene Hall and Mary Beth Baker run from the car to the Corral with papers hot off the press.

A black and white illustration depicting a group of soldiers in a combat setting. They are shown from a low angle, struggling to raise a large American flag on a tall pole. The flag is partially unfurled, showing the stars and stripes. The soldiers are wearing helmets and combat uniforms, and the scene is filled with a sense of urgency and heroism. The background is a cloudy sky.

Cox-Rushing-Greer Co.

humbly salutes the graduates and former students of San Angelo High School who on this graduation day are serving their country in the armed forces.

May they return safely to their homes and loved ones before another graduation day arrives.
